

MAY ISSUE OUT NOW

The new issue of **SelfBuild & Design** is out now!

In this month's issue you'll find **4 inspiring real-life self-build projects** including a cliff-top art deco-style home and a stunning transformation of a derelict bungalow.

Also in the May issue...

- **The case for renewables** - heat pumps, photovoltaics, solar thermal
- **Garden special** - landscaping, outbuildings, alfresco dining
- **Basements** - practical tips
- **Building an extension**
- **Interviews with experts** - Chelsea Flower Show designer and award-winning architect
- **Baths** - the latest trends

For home inspiration *SelfBuild & Design* magazine has everything you need. Enjoy!

Beauxfort

Beauxfort's vision is to contribute to maintaining the great British tradition of elegant gravel driveways and surfaces. Our Gravelrings gravel grid combats common driveway pitfalls.

JELD-WEN

Connect your living space to the outdoors with beautifully timeless and long-lasting patio door designs, which offer strong environmental credentials and innovative security, thermal and acoustic qualities.

PlotBrowser

PlotBrowser.com lists 1000s of selfbuild plots and properties from estate agents and private sellers across the UK. 100% FREE to use - both to search and to list.

Beauxfort

Elegant gravel driveways

Beauxfort's vision is to contribute to maintaining the great British tradition of elegant gravel driveways and surfaces. Our most-loved system Gravelrings gravel grid combats common pitfalls of such surfaces including - gravel migration, sinking and gravel slipping beneath and lifting the grid, ensuring that they remain out of sight; while preserving the beauty of the natural environment.
